Digital Match Sheet
Desktop User Guide

PRE- GAME:

1. Visit app.dribl.com/signin/ to login
2. Enter your email address & password

3. Select the correct Club or Team

4. Select the match sheets tab
5. Find the desired match and click match sheet details button
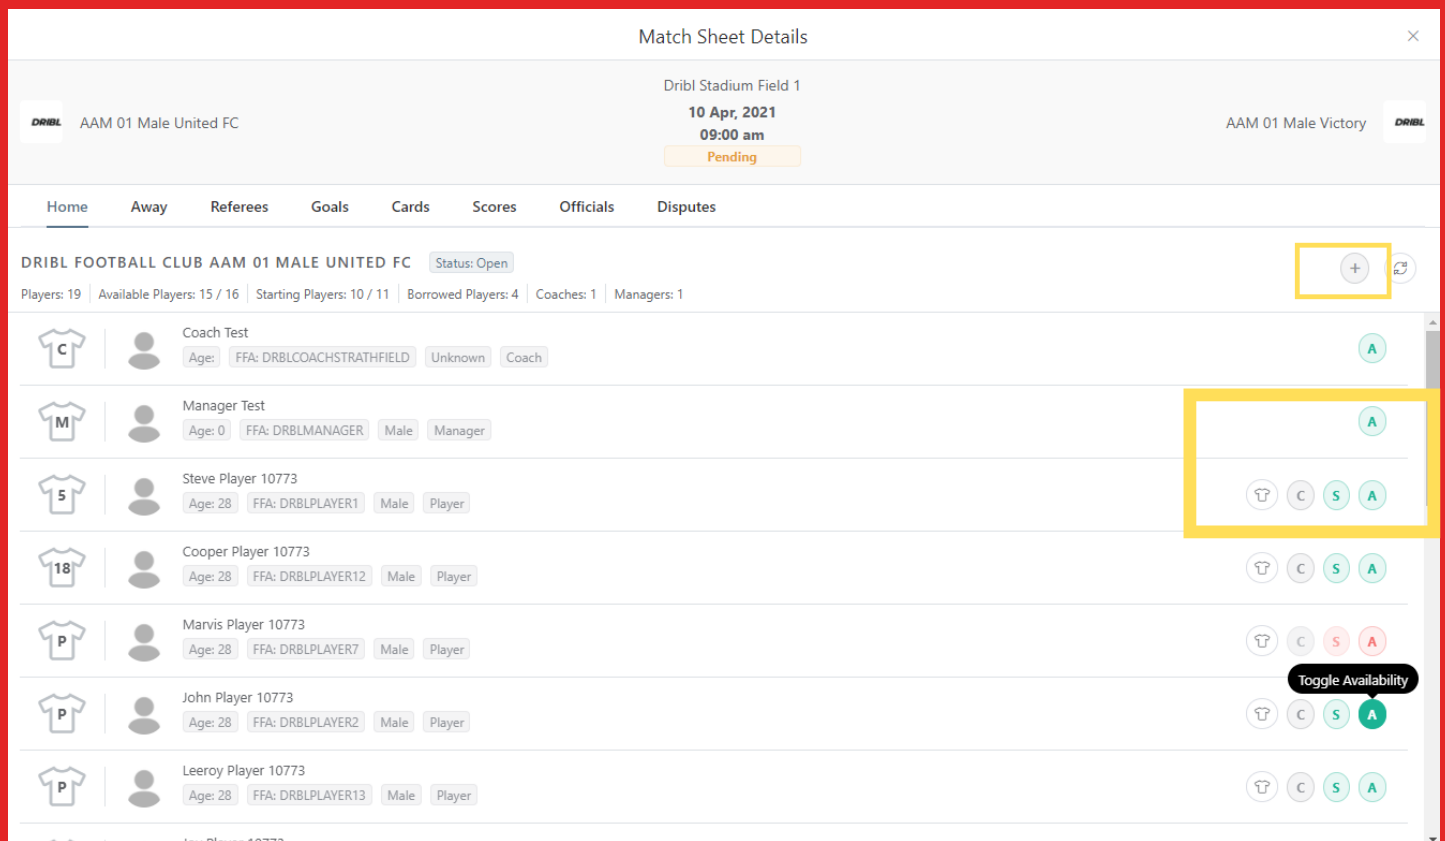

Understading your options:

A- Available

S- Starting

C- Captain

P- Playing / played

If a player cannot make the game do not tick any of the above.

6. Find your match sheet (home or away)

7. Click A next to all available players and RTO's
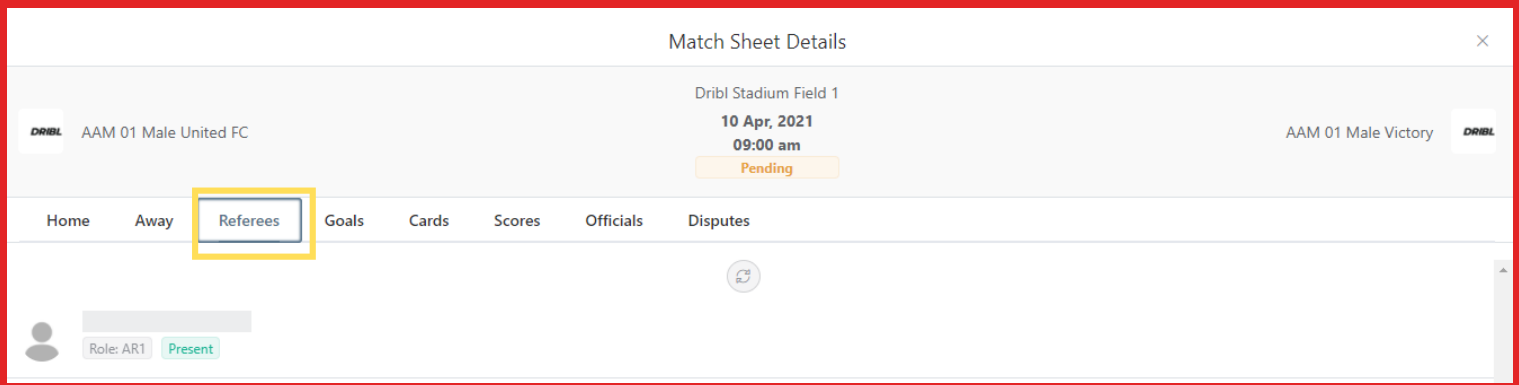

8. Click S for your starting 11 players

9. Click C for your Captain

10. Click t-shirt icon to update shirt numbers

11. To add a player click on the + at the top of the page- *available players will load or you can search by name or FFA number*

12. Once completed click submit team at the bottom

13. To check if your game has a referee appointed click on the Referees tab.

If you have a referee and assistants appointed they will show here. *Note: names will be removed.*

14. If no referee is appointed this tab will show no referee allocated.

15. To nominate a volunteer referee click on the officials tab and click on the + and add the name and type *volunteer referee*
