COACHING TIPS

No 'coaching' only encouragement and praising.

In 4 v 4 football, the coach should not worry about 'tactics' other than encouraging the players to try and score when they have the ball and win it back when the other team has the ball to prevent them from scoring.

Aim for equal playing time.

Emphasis on fun and building a love of the game.

'Natural' development through just playing and discovering one's (im)possibilities through trial and error.

The Best Coach is not the one who shouts instructions the whole game, however unfortunately many parents seem to feel that's what good coaches are supposed to do.
